

EHMC 2026 – POSTER PITCHES GUIDELINES

PREPARATION AND SUBMISSION OF YOUR POSTER:

- You will be presenting your digital poster alongside 10-15 other presenters. The time is 3 minutes per poster pitch.
- Posters must be submitted as a **single-page PDF** (one page only); no other file formats will be accepted.
- All posters must be designed in **landscape orientation** with a **16:9 aspect ratio** (1920 × 1080 pixels or 33.87 × 19.05 cm).
- There is no official EHMA template, and participants are free to design their posters, provided that all technical specifications are strictly respected.

Examples of E-posters design from last year's conference are available [via the link](#).

- To ensure the smooth running of your session, we ask you to upload your digital poster in PDF via a dedicated link, which will be shared with you via email in April. Please ensure your poster is uploaded by 1 June 2026.
- If you make any updates to your presentation, please re-upload the revised version using the same link. Please note that no changes will be possible after 1 June 2026.
- Kindly name your file using the following format: [ID number_ [Name Surname],
Example: 553_ John Smith.
- Only if you make substantial changes to the content of your poster compared to the submitted version, please notify us by email or, as a last resort, on-site at the registration desk. Minor formatting or wording changes do not qualify as substantial changes, and therefore can't be accepted on the day of the conference.
- On the days of the conference, please have your poster available on a USB pen and accessible without WiFi.

NEXT STEPS

1. CONFIRM YOUR ACCEPTANCE BY REGISTERING

Authors/presenters whose submissions have been accepted must confirm their participation by [registering to the Conference](#) by **Monday, 13 April 2026**.

Please note that submitting an abstract does not automatically register you for the conference and that presenters are not exempt from the payment of the registration fee. Presenters are also responsible to cover for their travel and accommodation costs.

If we do not receive confirmation of your participation through your registration, your name will not be included in the conference programme, and your abstract will not be published in the Conference Abstracts' Book.

Your registration is transferable at any time. If you register but are unable to attend and wish for a colleague to present on your behalf, this is possible. We ask you to please let us know as soon as possible in writing at conference@ehma.org (please see point 2 – Presenting author).

If you wish to withdraw your work, please email us immediately at conference@ehma.org.

2. PRESENTING AUTHOR

At the time of submission, you have been indicated as the presenting author. If this has changed, if there is a mistake in our records, or if you are unable to attend, the presenter can be changed. Please notify us in writing at conference@ehma.org and let us know who the presenter will be indicating the Full name, Email and Phone number of the new presenter.

Please note that up to two presenters can present the same paper within the same slot.
